Tell every one that
is writing to me
to stop writing. I'm
starting on my way
home tomorrow. I'm
not getting right on
the ~~boat~~ boat so
don't be expecting me
home next week or
month. I'm leaving
for another outfit &
I'll be going home
with them whenever
they leave - the 106th Div.
I'm taking the first
step towards home &
I can't believe it. Tell
all to stop writing
